SUBJECT: FEEDBACK ON REQUEST FOR IMPROVEMENT

This is to bring to your attention the referencing format for academic programmes as follows:

Level of Programme	Code
Certificate	0
Diploma	1
Undergraduate	2
Post graduate Diploma	3
Masters	4
PhD	5

The specific programme in a department will therefore bear the work instruction number WI-2-58-4-3 followed by (departmental code/programme level/serial number). For example, **the first** (1) Undergraduate programme (level 2) in the Department of Electrical & Electronic Engineering (department number 2-33) will be referenced as WI-2-58-4-3 (2/33/2/1) followed by the title of the programme. All programmes in each of the levels should be referenced chronologically.

Deans, Directors and Chairmen of Departments are requested to ensure that all their programmes are referenced accordingly. Directors of Campuses should liaise with the mother departments where their programmes are domiciled to ensure the programmes in use are properly referenced.

Kindly liaise with your Deputy Management Representative (DMR) or ISO secretariat for assistance.
